re: Peer review of tenure and ranking documents of dr. L. Matulnikova

Dear Vice President for tenure and ranking

I. History

I well received entire documentation of dr. Ludmila Matulnikova as application for her full professorship at you univ and carefully asessed

- a. list of papers
- b. list of presentations posters and lectures
- c. teaching activity and CV
- d. list of quotations
- e. list of scholars phd students
- f. list of reserach activities and grants

II. State of the art

My opinion is based upon enclosed criteria of your university which were enclosed

I assume that, upon study of the enclosed documentation

- a. Dr. L. Matulnikova showed sufficient durable teaching activity in nursing and midwifery
- b. published required amount of papers including books chapters and full papers peer reviewed and indexed also in web of science and other relevant databases, quoted by sufficient amount of other authors outside of her domicile institution or dept, exceeding the recommended criteria
- c. is internationally and natl known as speaker in the field of nursing and midwifery
- d. educated more than minimal requirement of PhD fellows and master of science students
- e. enclosed CV documents that she can be acceptable as professor also in other healthcare universities and colleges within EU neighbourgh states
- f. apart of publishing large amount of papers and book chapters and or ,books in relevant publishing houses showed appropriate research activity within grants in the field of health sciences

III. Conclusions

Despite I never met dr. L. Matulnikova before, from the enclosed documentation the candidate undoubtedly fulfill the university. Critetria for tenure and ranking and my final conclusion is, that my vote for her nomination for full professor in nursing would be positive.

I may plan personally to attend the final section to communicate to the honorable comitee my positive vote in case, the dates of council meeting could fit within the dates of my European lecturing and research visit in oct., nov., dec. 2019.

IV. Final vote

yes
