SP 6.7.1 In the case of teaching combination degree programmes, the University guarantees that the criteria SP 6.1 to SP 6.6 are fulfilled by teachers separately for each endorsement in accordance with the subject affiliation of the teaching subject to the field of study and separately for the teaching foundation.

Does not apply to SEU study programmes

SP 6.8.1 In the case of **translation and interpreting** combination degree programmes, the University guarantees that the criteria SP 6.1 to SP 6.6 are met by teachers separately for each apprenticeship in accordance with the language affiliation and separately for the translational basis.

Does not apply to SEU study programmes

SP 6.9.1 In the case of study programmes **in a combination of two fields of study** or first degree programmes conducted as interdisciplinary studies, the University shall ensure that the criteria SP 6.1 to SP 6.6 are fulfilled by teachers for each field of study in which its graduates obtain a higher education degree.

Does not apply to SEU study programmes

SP 6.10.1 In the case of **joint programmes of study, the** University shall ensure that the criteria SP 6.1 to SP 6.6 are met by the teachers for the relevant part of the joint programme of study that it provides within it.

Does not apply to SEU study programmes

SP 6.11.1 In case the University carries out study programmes in the relevant field of study **in several units or in several seats**, the University guarantees the fulfilment of the criteria SP 6.1 to SP 6.6 by teachers separately for each unit and separately for each seat in which it carries out the study programme as a whole.

Attached evidence to SP 6.11.1:

At each of its workplaces outside the seat of the HEI where the study programme as a whole or the faculty is conducted and accredited, the HEI has completed all forms for the study programme, for staffing, material and technical support.
